- If I accept a work shift and subsequently cannot work, I'll call another worker to switch then notify the Teen Coordinator (by phone) of the change. Failure to report for a scheduled-shift or to call for a replacement will be considered an unexcused absence.
- I will arrive for work 10 minutes prior to the start of my shift – if I'm not there by 10 minutes after shift start time, my shift will be re-assigned and I'll receive an unexcused absence
- I will be paid \$7 per hour for my time
- Normal work shifts will be either 2 or 4 hours in duration.
- During school, there will be a maximum of two shifts per week
- If work isn't busy, I may be asked to go home early and be paid to the end of the next hour.
- I will receive a cash payment at the each of my shift and will sign a receipt of payment
- Cell phones are for emergency use only – not for any other purpose while working
- Talking to friends while working is acceptable unless there is work to do – then work will come first
- My employment will consist of serving customers, cleaning, stocking and performing other tasks as requested by Concession Stand Supervisors. I'll treat respect them and expect the same in return..
- Where there may be inclement weather, I'll call the Concession Stand Status line (724)-776-5862 before reporting to work to see if the stand will be open and my services needed.
- I understand that if I report to work and am not needed, I may be sent home without pay. This will be a very rare activity, but I realize that it may happen.
- My name may be removed from the list of available workers for such things as too many unexcused absences, behaving inappropriately, or poor work habits.
 - First offense – verbal warning
 - Second offense – written warning (via email)
 - Third offense – removal from the worker's list
